

2007/2008 School Year

Dear Friend,

Sammamish Christian School and Noah's Ark Preschool in Issaquah, Washington is excited to announce our annual benefit auction and dinner, "Affair of the Heart" on March 8, 2008.

SCSNA enrolls students from three-years-old through fifth grade. All proceeds from this benefit auction directly impact the school children by providing the necessary funds to further enhance school programs, to increase financial aid fund and to continue to improve curriculum. This benefit auction is the school's major fundraiser of the year and we hope you will be part of its success!

Would you please consider one of the following ways to help us to make this annual benefit auction the most successful auction for us to date?

- Merchandise donation
- Gift certificate for a product or service
- Cash donation to help underwrite our costs
- Purchase advertising space in our catalog
- Consider being a sponsor

We encourage our school community to call on businesses that support our school. Not only will your donation and company information be published in our auction catalog that goes to over 200 attendees but it will also be in:

- School newsletters
- Benefit auction publicity information

Because of donations from generous businesses like yours we can continue to provide, through our school, the best possible education for our children. Thank you for considering a donation to our school benefit auction. I am looking forward to hearing from you soon.

Sincerely,

SCSNA Parent
